## Injury and Liability Waiver

This liability waiver provides that team members acknowledge the risks involved and agree to hold the property owners/responsible party, and or their insurance company harmless in the event of any damages or injuries that may arise. It ensures that a team member may not pursue legal action against the property owner/responsible party, and or their insurance company, by agreeing to release the property owner/responsible party, and their insurance company, from any liability.

This document is used as a safety precaution by East Central Oklahoma Paranormal Society holding an investigation.
